

Share Learn Discuss Connect with a Googler

The Champion Call program is designed to connect you with Googlers (“Champions”) who can share their experiences at Google, and provide an insider’s perspective on everything from Technology to Culture, and more.

Interested in setting up a Champion Call? First, tell your Recruiter what you would like to learn more about. Then, we will try and find a Googler who can answer your questions in an informal, 30-minute phone conversation.*

Relocation

Change can be hard, but with great risk comes great reward. Hear experiences (and tips) from Googlers who have made the move.

Culture

People are Google’s secret to success. Let us share what “Googleyness” means to us, and do a little myth-busting about what it’s really like to work here.

Diversity

Googlers are passionate about diversity & inclusion. If you would like to speak to someone from an Employee Resource Group (ERG) about their life at Google, let us know which one, and we will put you in touch.
